PRESENT LEVELS OF ACADEMIC ACHIEVEMENT AND FUNCTIONAL PERFORMANCE

Results of initial or most recent evaluation and results of school and division assessments:
He behaves and is cooperative during assessment, he is very talkative and keep on asking questions.
Description of academic, developmental and/or functional strengths:
Language Development Domain: He can answer Yes and No questions and tell his name and communicate with other children and teachers. Cognitive Domain: He can identify letters, colors, shapes and numbers 1 to 100. He can read basic sight words, and some CVC words with picture association. He can tell the days of the week and months of the year. (SPED Tutorial for academic lesson) Behavioral Development: He has manageable behavior and can follow teacher's instructions and commands. He can sit longer and can-do task given to him with minimal prompt.
Description of academic, developmental and/or functional needs:

Republic of the Philippines
Department of Education
NATIONAL CAPITAL REGION
SCHOOLS DIVISION OF TAGUIG CITY AND PATEROS
PEMBO ELEMENTARY SCHOOL

Language Development Domain: He needs speech therapy to improve his communication skills and vocabulary skills.

Cognitive Domain: Focus on reading CVC words, CVCE words and letter blends. Practice also in spelling of words and number words.

Behavioral Development: More social activities like playing with other kids and outside the house. And continue her OT to manage her unnecessary behavior and increase her waiting time and patience.

Parental concerns regarding their child's education:

Impact of the disability on involvement and progress in the general education curriculum (for preschool, how disability affects participation in appropriate activities:

I. CONSIDERATION OF SPECIAL FACTORS

- a. **Does the learner have difficulty relating with people which impedes his/her learning or the learning of other?** ☐ no ☐ yes
If yes, consider the appropriateness of developing a Behavior Intervention Plan.
- Behavior Intervention Plan developed?** ☐ no ☐ yes
- b. **Does the learner have difficulty in moving/walking?** ☐ no ☐ yes
If yes, consider the mobility needs as related to the IEP and describe below.
- c. **Does the learner have difficulty in seeing or with blindness/visual impairment?** ☐ no ☐ yes
If yes, provide for instruction in Braille and the use of Braille, unless the IEP Team determines that instruction in Braille is not appropriate for the learner after an evaluation of the learner's reading and writing skills, needs, and appropriate reading and writing media, including evaluation of future needs for instruction in Braille or the use of Braille. Describe below.
- d. **Does the learner have difficulty in communicating?** ☐ no ☐ yes
If yes, consider the communication needs and describe below.
- e. **Does the learner have difficulty in concentrating/ paying attention?** ☐ no ☐ yes
If yes, consider the attention span needs and describe below.
- f. **Does the learner have difficulty in remembering/ understanding?** ☐ no ☐ yes

Republic of the Philippines
Department of Education

NATIONAL CAPITAL REGION
SCHOOLS DIVISION OF TAGUIG CITY AND PATEROS
PEMBO ELEMENTARY SCHOOL

If yes, consider the understanding needs and describe below.

- g. **Does the learner have difficulty in hearing or is the learner deaf or hard of hearing?** ☐ no ☐ yes

If yes, consider and describe the learner's language and communication needs, opportunities for direct communication with peers and professional personnel in the learner's language and communication mode, academic level and full range of needs, including opportunities for direct instruction in the learner's language and communication mode. Describe communication needs below

- h. **Does the learner need assistive technology devices or services?** ☐ no ☐ yes

*If yes, describe the type of assistive technology and how it is used.
If no, describe how the learner's needs are being met in deficit areas.*

- i. **Does the learner require alternative format for instructional materials?** ☐ no ☐ yes

If yes, specify format(s) of materials required below.

☐ Braille ☐ Large type ☐ Auditory ☐ Electronic text

SECTION B. DIFFICULTIES, BARRIERS AND ENABLING SUPPORTS

DIFFICULTY	ENVIRONMENTAL BARRIERS	ENVIRONMENTAL FACILITATORS	ACCOMODATIONS
Difficulty in reading with comprehension	- Distracting Environment (Visual Distractions and Noise) - Uncomfortable Physical Space (Temperature Extremes – too cold) - Social Environment (Lack of space in room for reading area.	- Quiet and Calm Environment - Proper temperature - Cozy Reading Nooks - Supportive Tools and Resources	- Create a friendly reading environment. - Take Breaks (Take regular breaks to rest her eyes and mind which can help her to improve comprehension. - Adjust temperature in the classroom.

Republic of the Philippines

 SCHOOLS DIVISION OF TAGUIG CITY AND PATEROS
PEMBO ELEMENTARY SCHOOL

Difficulty in spelling of words and number words.	- Time Pressure (Timed tasks) - Lack of Support at home (Insufficient practice) - More time in using gadgets.	- Quiet and Organized Workspace - Access to Resources - Supportive Learning Environment - Regular Practice Sessions	- Use spelling Aids - Practice Regularly - Manage Time effectively - Lessen used of gadgets
Difficulty in social interaction	- Lack of Structured Social Activities - Limited Opportunities for Interaction	- Structured Social Activities - Small Group Settings - Supportive Peers or Adults	- Providing Structured Social Support - Modifying Social Expectations - Using Visual or Social scripts.

SECTION C. LEARNER GOALS

TRANSITION PACKAGE	GOAL	INTERVENTIONS	TIMELINE	INDIVIDUALS RESPONSIBLE	REMARKS	PROGRESS / NEXT STEPS
FUNCTIONAL ENGLISH	➤ Improve reading fluency. ➤ Enhance vocabulary	Repeated Reading: Have students read a passage multiple times until they reach an outstanding level of fluency. Guided Reading: Provide individualized reading instruction with a teacher or tutor. Word Building: Use word families to build new words and have the learner practice reading and spelling.	First Quarter to Fourth Quarter	Xylene Joy T. Felicilda (SNED) SNED Learner Parents/Guardian		

Republic of the Philippines
Department of Education
NATIONAL CAPITAL REGION
SCHOOLS DIVISION OF TAGUIG CITY AND PATEROS
PEMBO ELEMENTARY SCHOOL

	➤ Build comprehension. ➤ Improve spelling accuracy	Word games and activities: Incorporate games and activities such as words searches, crosswords and word scrambling to make vocabulary learning fun. Read – Aloud: Read aloud to learner and discuss unfamiliar words and their meanings. Technology – Based Interventions: Use apps, games or online resources to provide vocabulary instruction and practice. Questioning Strategies: Teach the learner to ask and answer questions about a text, such as who, what, where, when, why and how. Visualization: Encourage students to create mental images or drawings of a text to enhance comprehension. Phonics Instructions: Provide explicit phonics instruction to help learners understand the relationship between sounds and letters. Spelling Practice: Provide regular spelling practice such as weekly

PEMBO ELEMENTARY SCHOOL

	➤ Tell the time to the minute. ➤ Read analog and digital clocks.	Games and Activities: Incorporate games and activities to make practicing subtraction fun and engaging. Analog Clock Practice: Provide a learner with analog clocks and have her practice telling time. Digital Clock Practice: Provide a learner with digital clocks and have her telling time. Time – Telling Game: Incorporate games and activities to make practicing time telling fun and engaging. Time – Telling Worksheets: Provide a learner with time telling worksheets that include analog and digital clocks.				
FUNCTIONAL SCIENCE	➤ Develop the ability to recognize and name the different parts of the human body.	Targeted Practice: Focus on practicing naming and identifying body parts through activities like pointing or labeling. Use of Visual Aids: Utilize pictures or diagrams of the body to help identify different body parts. Games and Activities: Incorporate games or interactive activities that involve identifying body parts.	First Quarter to Fourth Quarter	Xylene Joy T. Felicilda (SNET) SNED Learner Parents/Guardian
